

Geoff Clayton

CTO

07813 894211
jefc_uk@hotmail.com
Axminster, Devon, UK

Geoff is a computing enthusiast with a Product-focussed approach to delivering software. He is a good communicator amongst both technical and non-technical stakeholders. Geoff is experienced in running a small remote-first team of developers. Geoff enjoys complex problems and simple solutions. He is looking for a varied role in a small organisation with an interesting mission.
